

HOT CHOCOLATE FONDANT PUDDINGS

55g butter, softened, plus extra for greasing

85g caster sugar

170g **Carnation** Condensed Milk

4 large eggs, beaten with a pinch of salt

1tsp vanilla extract

1tbsp Espresso coffee powder, dissolved in 1tbsp boiling water

350g dark chocolate, melted

85g plain or flour

Cocoa powder, to dust

You will also need...

6 x 150ml pudding basins

1. Preheat the oven to 200°C, (180°C for fan ovens), Gas Mark 6.

Place a large baking sheet into the oven. Grease the pudding basins and dust each with cocoa powder.

2. Whisk the butter, sugar and condensed milk together until pale and creamy (use an electric hand whisk if you have one). Gently whisk in the eggs, a little at a time, followed by the vanilla and coffee mixture. Add the melted chocolate and mix thoroughly, then add the flour and whisk until smooth.

3. Divide mixture evenly between the pudding basins and bake in the oven for 10 minutes on the hot tray.

4. To serve, quickly run a knife around the edge of the puddings to unstick, and turn out onto plates. These can be kept in the fridge until needed. If cooked from chilled, bake for 12 minutes.

AGM 2014

What an event! This was probably the most congenial and relaxed AGM I have attended. Everyone was welcomed with tea/coffee and biscuits ably presented by Graham and Margaret.

The AGM followed starting off on a somewhat sombre note when we had a moments silence for members who had sadly passed away. The AGM went well with Chris Taylor being elected to the committee.

A lovely buffet then followed and with plants leaving the sales table at a fantastic pace bolstering the Societies funds.

Tony Derrick then gave us an entertaining and interesting talk based on his experiences in varies aspects of horticulture and the people he had met and who had influenced his methods.

Finally a Q&A session was held to finish off the day with some interesting questions and informative answers. If all our AGM's and meetings are as well supported we have a wonderful future ahead of us.
